

GET A NEW PROFESSION!

TRAINING PROGRAM FOR CNC MACHINE OPERATORS AND ADJUSTERS AT ISCAR INDUSTRIAL CORPORATION

Gvahim NGO, in partnership with **Iscar** Industrial Corporation, is thrilled to announce the launch of a professional CNC machine operator training program tailored for individuals aspiring to work as operators and adjusters of automatic CNC machines, followed by promising employment opportunities.

This cutting-edge program will be conducted at the Lavon Business-Technology Park, strategically located in Northern Israel. The center is exceptionally well-equipped with state-of-the-art technology, and our dedicated trainers, who are experts within the industry, will deliver the training entirely in Hebrew.

The training program is scheduled to commence in **June 2024** and will span a duration of five months, encompassing a total of 740 hours of coursework. The program is designed to conclude in **November 2024**, at which point successful participants are anticipated to enter employment.

ELIGIBILITY REQUIREMENTS:

- You have made your Aliyah no earlier than 2013
- You are able to speak basic Hebrew
- Technical skills or a background in technical education
- Good health
- Strong motivation to acquire a sought-after specialty
- Successful completion of the interview and selection process

DURING THE TRAINING PERIOD, PARTICIPANTS WILL RECEIVE A MONTHLY STIPEND AS FOLLOWS:

- 6 000 shekels per family
- 4 500 shekels for individuals

PLEASE NOTE:

- Stipends will not be provided to candidates already receiving unemployment benefits.

Iscar Industrial Corporation, founded in 1946 by Israeli industrialist Steph Wertheimer, is Israel's leading and globally recognized manufacturer of high-precision metal processing tools. As a part of the International Metalworking Companies (IMC) group, Iscar represents the pinnacle of technological advancement in Israel.

At **Iscar**, the welfare and development of its employees take precedence, with a steadfast commitment to providing stable employment, fostering innovation and creativity, nurturing professional growth and advancement, and cultivating a supportive internal environment as pillars of the company's social policy.

Join us on this exciting journey towards a rewarding career in the CNC machining industry with **Iscar** Industrial Corporation.
